Thanks Lynde. I'll probably reach out via email and set up a time to talk with New Mexico – that way they can get their thoughts in order. I'll copy you on that email.

Matt,

Per your request – here is an email from our Regional Counsel (James McGuire) to his counterpart at NMED (Bruce Baizel). Cholla Khoury with NM AG's office sent the case file after this initial engagement on May 3rd I believe. Let me know if there is anything else you may need.

NMED Legal: Bruce.Baizel@state.nm.us

NM AG's: ckhoury@nmag.gov

I will see if our Regional Counsel can track down a phone # for NMED. If you can let us know when you were able to reach out to NM – much appreciated!

Lynde

You are welcome. Cholla Khoury, copied here, would be the appropriate contact at the NM AG's office. I am the appropriate point of contact here at NMED.

Received, many thanks Bruce! Is there a case attorney at NMED or NM AG's office we could use as an appropriate point of contact?

Here is the order, James. 45 days from April 22. Let me know if you need the pleadings to see the issues. I think in part this stems from the question of assertion of primary jurisdiction, or not.
